

Funding Estimates from the CARES Act for Programs in Titles III and V of the HEA

The CARES Act directs the Secretary to allocate \$1,046,437,875 for HBCU and MSIs. The law indicated that individual programs would receive funding proportional to the funds allocated to them under the Further Consolidated Appropriations Act of 2020. However, the Department of Education (ED) maintains discretion in how to award these funds at the state and institutional level. It is still unknown whether ED plans to use these funds to open new grant competitions or direct these funds to institutions with currently existing grants.

The following are estimates provided by the Congressional Research Service (CRS) of the share of funding allocated to programs under Title III and V:

- \$148,591,000 for Strengthening Institutions Program (SIP)
- \$50,469,000 for Strengthening American Indian Tribally Controlled Colleges and Universities (TCCUs)
- \$25,239,000 Strengthening Alaska Native and Native Hawaiian-Serving Institutions (ANNHs)
- \$18,182,000 for Strengthening Predominantly Black institutions (PBIs)
- \$6,123,000 for Strengthening Native American-Serving, Nontribal Institutions (NASNTIs)
- \$6,123,000 for Strengthening Asian American and Native American Pacific Islander-Serving Institutions (AANAPISIs)
- \$447,466,000 for Strengthening Historically Black Colleges and Universities (HBCUs)
- \$197,123,000 for Developing Hispanic-Serving Institutions (HSI) program

The full CRS estimates for the Education Stabilization Fund under the CARES Act can be found [here](#).
